

Stretching from Deep Cove in the east to the Capilano River Canyon in the west, the District of North Vancouver is characterized by innovative municipal government that maintains and enhances the quality of life for its residents and businesses. Fuelled by the District's award-winning vision to build vibrant and sustainable communities for people of all ages and backgrounds, the District offers exciting professional development opportunities and an excellent total compensation package. A flexible, family-friendly employer with an inclusive work place culture, we are looking to fill this position. Come work for one of **BC's Top Employers** and contribute to making this a great place to work!

An exciting regular full time opportunity exists within our Engineering Services department for a full-time Transportation Planning Technician. You will be able to apply and expand your expertise as you:

- Research, assemble and analyze a variety of data and materials on transportation issues and relevant aspects of planning projects
- Prepare preliminary designs, layouts, specifications and cost estimates for traffic control signal systems, traffic plans, road markings and signs
- Conduct site and traffic complaint investigations
- Prepare reports and maintain a variety of traffic-related materials and records
- Perform traffic studies as well as summarize and interpret traffic movement and volume data
- Represent the District on external working groups
- Provide a high level of customer service to a variety of internal and external contacts regarding traffic matters, policies and regulations.

Your qualifications include completion of Grade 12 supplemented by technical school or university courses in civil engineering or related disciplines, plus sound experience or an equivalent combination of training and experience. It would be considered an asset for you to have a diploma from a recognized Institute of Technology with related technical certification, as well as registration as a Certified Technician.

The hourly pay range for this union position is \$34.98 - \$41.29 per hour (based on a flexible 5/5/4 35-hour workweek) plus an attractive fringe benefit package is offered.

We are looking for an enthusiastic and results-oriented individual who has excellent interpersonal and communication skills. If you are keen to join a professional, innovative team and believe in public service, we want to hear from you. Please submit your resume online by Friday, September 20th, 2019 at www.dnv.org/careers.

We thank you for your interest in employment with the District of North Vancouver and advise that only those candidates shortlisted for an interview will be contacted.
