

## Candidates for ITE International Vice President

### W. Hibbett Neel, P.E., ITE Fellow

*President/CEO, Neel-Schaffer Inc., Jackson, MS, USA*

I am honored to have been nominated as a candidate for Vice President. ITE has been an important part of my professional career and I am looking forward to applying my experience to help make ITE an even stronger organization.

ITE is the worldwide advocate for effective transportation solutions. ITE provides for the professional development needs of its members. I am committed to strengthening this mandate in every way possible.

In addition to supporting our technical professional development initiatives and the many specialty councils, I will focus on the following goals:

- Expand marketing of ITE and the transportation profession to ensure funding of transportation improvements.
- Support professional development of our members to provide the training we need to be recognized as transportation leaders.
- Support student chapters and the professional development of our young professionals.

### Robert C. Wunderlich, P.E., ITE Fellow

*Senior Managing Director–Transportation and Engineering, City of Garland, TX, USA*

“Every day our members work to make the world’s transportation systems better. Our members care whether people can walk, ride, drive or be driven safely and efficiently. It’s important work–work that makes a difference in peoples’ lives. We do it with passion, caring, and a sense of responsibility that goes beyond ourselves.”

#### Vision for ITE

- Give all professionals working on transportation issues a home in ITE.
- Build upon our clear leadership in the staples of the profession so that we have the information we need to do our jobs.
- Explore and understand the larger issues of society so that we are positioned to address them.
- Provide professionals with electronic, virtual workspaces so that we can easily collaborate on boards, councils and committees.
- Make sure our members can access the vast amount of knowledge we have developed – quickly and easily, from wherever we work in the world.
- Tell the world about our capabilities. We need to make sure that public leaders understand that our expertise is vital to solving transportation problems.

#### Why Robert?

**Robert leads.** He has consistently accepted and succeeded in leadership positions in ITE, his career and community  
**Robert knows** that the strength of ITE lies within its members and their efforts to make themselves and their profession better.

**Robert innovates.** He brought a teen driving safety program to Garland that has been introduced into all the high schools.

**Robert listens and acts.** He started student presentation poster sessions at District Meetings after consulting with student members about their needs.

**Robert understands** the big picture and the day-to-day needs of ITE members. Although he is on his city’s executive management team, he still practices transportation engineering with his staff.
